

**POWERING  
FUTURE**

**By Building EV  
Infrastructure**

## EV for Retail & Hospitality

Green technology is often associated with an affluent customer base. Our electric vehicle (EV) charging stations will increase your bottom line while attracting a new generation of environmentally conscious customers.

### **Enhance Business Visibility**

EV owners using mobile apps to locate charging stations will notice your nearby business

### **Increase In-store Time**

Customers are likely to extend their stay at your business for the duration of the charging session.

### **Develop Customer Loyalty**

Convenient access to charging stations will encourage your clients to return, increasing customer retention.
